The new name in crime fiction unleashes *Slasher*

Dateline October 27, 2014 - Pittsburgh, PA - British author WD Jackson released his new horror/crime thriller. In *Slasher*, when a vicious serial killer targets Hollywood slasher movie actresses, Sergeant Joshua Matthews must overcome his past to end the brutal killing spree. Can new scream queen actress Kiralee Martinson survive long enough to make it to her first premiere?

This unique crime thriller is available to buy as an ebook and paperback from selected stores and online retail outlets, including Amazon (US: <http://www.amazon.com/dp/B00NUHIUKW/> UK: <http://www.amazon.co.uk/dp/B00NUHIUKW/>), Barnes & Noble and Foyles. *Slasher* is published internationally through Bad Day Books, the horror and crime fiction arm of Assent Publishing.

WD Jackson is a London-based author who has been writing crime and horror fiction since 2011. His first two books, *Loose Ends* and *Red Light*, were both self published on Amazon and both charted in the top twenty best selling Suspense/Thriller Kindle books on release, having sold more than 10,000 copies combined. His horror short story, *What's Yours Is Mine*, was shortlisted for the *Horror For Good* anthology.

As well as his passion for horror and crime thrillers in all forms, WD Jackson also loves art and design, having studied Fine Art and Art History in Leeds and Toronto and working as a graphic designer for the majority of his career.

Assent Publishing is a groundbreaking publishing company with proven strategies, attention to author marketing needs, commitment to distribution solutions, and dedication to publishing high quality books. Assent Publishing's mission is writing the book on the publishing industry's future. Please write WD Jackson at wdejackson@live.co.uk.
